DID YOU KNOW THAT...

Specialised employment websites unite job offers from a specific profession or sector. They are a useful tool both for companies, who need to recruit increasingly **specialised talent**, and for job searchers who want to find offers more focused on their areas of interest. These websites usually have a reduced number of jobs on offer, but they are more aligned with your professional profile and you will find **less competition**.

REMEMBER!

You will also find specific offers in general employment websites filtering by keyword, such as “**retail**”, “**customer service**”, “**kitchen**”, “**hairdressing**”, “**aesthetics**”, “**tourism**”, “**events**”, and others related to your occupation.

FOCUSING

In 2021, **tourism** accounted for **12% of the GDP** in Catalonia, with about **30 billion euros** and nearly **14% of occupation**. Meanwhile, in that same year **trade** represented about **7% of the Catalan GDP**, with nearly **230,000 workers**.

DID YOU KNOW THAT...

Attending conferences and events is a **source of knowledge and interest** for any professional. Firstly, conferences and talks available usually shed light on **new trends** in the sector. Secondly, networking areas that are available in these type of events promote **new collaborations and professional opportunities**. All in all, they are a good way to keep yourself up to date and contact companies in your sector.

REMEMBER!

B-Travel gathering professionals and companies, such as tourism promoters, travel agencies and hotels. The trade show is structured into **five themed areas**: wellness tourism, cultural, sports and adventure and gastronomical experiences.

FOCUSING

Cobots (collaborative robots) are already being used to interact with people in a work environment, either serving dishes on the floor or mixing ingredients in the kitchen. Besides, **robotic arms** are being used to assist hairdressers.
