DID YOU KNOW THAT...

Specialised employment websites unite job offers from a specific profession or sector. They are a useful tool both for companies, who need to recruit increasingly **specialised talent**, and for job searchers who want to find offers more focused on their areas of interest. These websites usually have a reduced number of jobs on offer, but they are more aligned with your professional profile and you will find **less competition**.

REMEMBER!

You will also find specific offers in general employment websites filtering by keyword, such as “**social action**”, “**teacher**”, “**teaching**”, “**professional counselling**”, “**job market analyst**”, “**leisure**”, “**care to dependent people**”, and others related to your occupation.

FOCUSING

In 2022, Catalonia’s **public investment** in Education was **7.73 billion euros**, and **3.86 billion euros** were destined to Social Rights. These investments represent 3.63% and **1.8% of the Catalan GDP**, respectively.

DID YOU KNOW THAT...

These companies aim to **select a candidate** to cover for a specific role for the customer company.

Therefore, temporary recruitment agencies, head-hunters and service companies become a **key channel** to access certain offers and companies in the sector.

Besides, they manage several job offers at the same time, so by applying through these companies you will have access to **offers from different clients**.

REMEMBER!

Some recruitment companies have **specific browsing sections** (filters or categories) where you will find current vacancies mainly related to **teaching, training and leisure**. Don't think about it twice and get active!

FOCUSING

The most in-demand professional profiles in this sector are **career counsellors, vocational training teachers, technicians in international cooperation projects, and e-learning actions managers**.

DID YOU KNOW THAT...

Self-applying to a company before they post a job offer is a good way to **anticipate their demand for personnel** and show interest in joining their team. For your self-application to succeed, you will need to **send a cover letter alongside your CV** and follow up on your application. Immediate results are not guaranteed, but you might be selected for unpublished offers and **reduce competition to a minimum**.

REMEMBER!

Barcelona has a **huge education network** made up of public, state-subsidised and private schools, ranging from nursery schools to universities. Check out the **specific directories, maps of schools** and **educational records** and find the school that best suits your profile.

FOCUSING

Barcelona's bet on **Education and Social Cohesion as a motor for change** is shown in public interventions such as the School Playground Transformation Plan, the project "Let's protect the schools" or the **inclusion of social and emotional educators** in schools.
