DID YOU KNOW THAT...

Specialised employment websites unite job offers from a specific profession or sector. They are a useful tool both for companies, who need to recruit increasingly **specialised talent**, and for job searchers who want to find offers more focused on their areas of interest. These websites usually have a reduced number of jobs on offer, but they are more aligned with your professional profile and you will find **less competition**.

REMEMBER!

You will find specific offers in general employment websites filtering by keyword, such as "**investments**", "**talent management**", "**foreign trade**", "**content creation**", "**risk prevention**", and others related to your occupation.

FOCUSING

In 2020, **finance and insurance activities** represented **4.1% of the Spanish GDP**, while **advertising** contributed with **1.23%**. On the other hand, the **law firm** with the highest turnover in Spain was Garrigues and Cuatrecasas.

01. Specialised employment websites

Adaspirant.com
http://www.adaspirant.com/
Addressed to professionals who are starting their career in advertising. Aspirants may upload their work and content, which is posted on the main page for a week.

Blue Book traineeship programme
https://traineeships.ec.europa.eu/
Official website of the European Union posting paid internship opportunities to university graduates related to diplomacy, international relations and other professional areas with an international component in the different European institutions.

Dima Jobs
https://www.dimajobs.com/ofertas/
Job opportunities related to advertising and digital marketing: social media, e-commerce, data analysis, etc.

EFinancial Careers
https://www.efinancialcareers.com/
National and international vacancies mainly in banking, accounting and stock market.

Empleo Marketing
https://empleomarketing.com/
Job search site specialised in digital marketing that allows to filter offers by province or category.

Jobs and Law
https://jobsandlaw.com/empleo/
Career site specialised in national and international job offers in legal departments of companies or in law firms.

Prevencionar.com
https://prevencionar.com/category/empleo/
Website posting vacancies in the field of security and risk prevention. Candidates may also browse training resources, events and a forum.

Segurempleo.com
https://segurempleo.com/find_jobs/
Specialised in the field of insurance. This link gives access to their job search engine.

DID YOU KNOW THAT...

These companies aim to **select a candidate** to cover for a specific role for the customer company. Therefore, temporary recruitment agencies, head-hunters and service companies become a **key channel** to access certain offers and companies in the sector. Besides, they manage several job offers at the same time, so by applying through these companies you will have access to **offers from different clients**.

REMEMBER!

This sector has a high number of **intermediary companies**, most of which work in **different professional fields**. Find the recruitment company that best suits your profile, use their search categories or filters and apply for the vacancies listed.

FOCUSING

The most in-demand professional profiles in this sector are **financial advisors**, **market research analysts**, **headhunters**, **community managers**, **compliance lawyers** and **security guards**.

02. Recruitment and intermediary companies

Adecco
https://www.adecco.es/ofertas-trabajo
This link gives access to the job search engine of this general recruitment company. Amongst other divisions of the sector, candidates will find vacancies in general company services, customer services, human resources, purchasing or legal and tax departments.

Fed Finance
https://www.fedfinance.es/nuestras-ofertas-de-empleo
National recruitment company specialised in finances, banking, accounting and insurance. Their vacancies are listed on the link provided.

GD Selección
https://gdseleccion.gdasesoria.com/
This company offers staff selection and recruitment services in different areas related to business management, amongst other services. Their website includes a section for candidates to browse vacancies in business administration, accounting, finances and human resources, amongst others.

Grup Barna Porters
https://www.grupbarnaporters.cat/treball/ca/
Recruitment company specialised in auxiliary services, security and surveillance. Their website includes a section to check their active job offers or send their CVs.

Hays
https://www.haysplc.com/
Recruitment company offering job opportunities globally. Besides, candidates may browse their internal national and international vacancies, for junior and senior profiles.

Iterlegis
https://www.iterlegis.es/es/ofertas-de-trabajo

Michael Page
https://www.michaelpage.es/
Company focused on staff selection in the professional fields of banking, finances, human resources, digital & e-commerce (marketing and communication) and others. Candidates may also self-apply to their internal offers related to talent management, administration or commercial activity.

Morgan Philips Group
https://jobs.morganphilips.com/es-es
International recruitment company mainly specialised in management, human resources and finance profiles. Their website includes a job search engine.

Randstad
https://www.randstad.es/candidatos/especialidades/
This website includes a general job search engine that allows filtering by field of activity, ranging from administration and company support to human resources, finances, marketing and public relations.

Spring Professional
https://www.springspain.com/encuentra-empleo
Consulting company specialised in recruiting staff in the business and finance world. Their website has a section listing the most relevant professional profiles. By clicking on them, candidates may browse vacancies related to the profile selected.

DID YOU KNOW THAT...

Self-applying to a company before they post a job offer is a good way to **anticipate their demand for personnel** and show interest in joining their team.
For your self-application to succeed, you will need to **send a cover letter alongside your CV** and follow up on your application. Immediate results are not guaranteed, but you might be selected for unpublished offers and **reduce competition to a minimum.**

REMEMBER!

All organisations need professionals in the field of **talent management**, **administration**, **finances**, **legal services and security**, **marketing and public relations**. Get to know the companies and submit your application!

FOCUSING

Barcelona is an **attractive destination to create start-ups** and make them grow. An entrepreneurial ecosystem that creates **employment opportunities**, in the field of **fintech** (bank), **legaltech** (legal area) and **insurtech** (insurance).

03. Self-application

A) COMPANIES
