DID YOU KNOW THAT...

Specialised employment websites unite job offers from a specific profession or sector. They are a useful tool both for companies, who need to recruit increasingly **specialised talent**, and for job searchers who want to find offers more focused on their areas of interest. These websites usually have a reduced number of jobs on offer, but they are more aligned with your professional profile and you will find **less competition**.

REMEMBER!

You will also find specific offers in general employment websites filtering by keyword, such as “**culture**”, “**graphic design**”, “**publishing**”, “**audiovisual**”, “**multimedia**” and others related to your occupation.

FOCUSING

The Creative and Cultural Industries sector represents **3.4% of the Spanish GDP** and **employs over 704,000 people**. There are over **122,000 companies** in this sector nationwide and nearly 30% of those employ less than five people.

01. Specialised employment websites

A) NATIONAL EMPLOYMENT WEBSITES

Atiza.com

<https://www.atiza.com/musicos/tablonanuncios/#name3>

Employment website listing job offers in music, such as private lessons, casting calls and auditions, instrument tuning, etc.

Audiovisuales.com

<https://www.audiovisuales.com/solicitudes-de-empleo.php>

This website includes an employment portal listing offers mainly in audiovisual production.

Auxiliar de Biblioteca

<https://www.auxiliardebiblioteca.com/empleo-privado-y-becas/>

Website specialised in job offers at libraries and other occupations in the field of information and documentation.

Behance

<https://www.behance.net/joblist>

Digital platform listing job offers related to graphic and audiovisual design. Candidates may post their projects and follow the profiles of other professional designers.

Bibljobs

<https://bibljobs.net/>

Employment website specialised in vacancies in the field of information and documentation.

Bolsa de trabajo en cine y afines

<https://bolsadetrabajoencineyafines.blogspot.com/>

Website including job offers related to cinema, such as director, editor, post-producer, audiovisual producer, makeup artist and photography, amongst many others.

Casting.es

<https://www.casting.es/>

Website sharing casting calls in music and dance, fashion and beauty, theatre and comedy, and television and radio, amongst others.

Club de creativos

<https://www.clubdecreativos.com/empleo/>

Resource portal that includes a site listing active job offers, that may be filtered by the different professional profiles appearing on the website.

Danza.es

<https://www.danza.es/convocatorias>

Employment website specialised in the field of dance, particularly in auditions. They also share information about available grants and subsidies.

Domestika

<https://www.domestika.org/es/jobs>

Creative community that allows professionals to interact and share projects and knowledge with other professionals in this sector. Their website includes a browser that allows candidates to filter job offers by location, type or area.

Editores

<http://www.guia-editores.org/index.php/empleo/ofertas-empleo/ofertas-de-empleo>

Website dedicated to job offers in the publishing sector.

Empleo para músicos

<https://empleoparamusicos.com/>

Job search engine for professional musicians playing woodwind, brass, string and percussion instruments as well as other music specialities.

Fashion Jobs

<https://es.fashionjobs.com/>

Fashion industry employment site that allows candidates to filter specific offers in fashion design.

Infoculture

<https://www.infoculture.info/empleo/>

Website listing vacancies in the arts and culture sector. It includes an area displaying information about grants and subsidies as well as training.

Nosolocasting

<https://www.nosolocasting.com/>

Website posting casting calls for actors and actresses, professional models and extras. They have a section with information and tips, amongst others.

PromocionMusical.es

<https://promocionmusical.es/trabajo/>

Job search engine that allows filtering by category (teaching, music industry or musician) and by geographic location.

SoloActores.com

<https://www.soloactores.com>

Nationwide online community for actors and actresses listing calls for cultural projects and programmes. It also includes information about casting calls and job offers.

Solocastings

<https://www.solocastings.es/>

Employment website specialised in casting calls of cinema, TV, theatre, radio/voice, modelling and dance, amongst others.

Yatecasting

<http://es.yatecasting.com/>

Website for actors, actresses, models and event professionals. It includes job offers, information about casting calls and a training browser.

B) INTERNATIONAL EMPLOYMENT WEBSITES

AIGA Design Jobs

<https://designjobs.aiga.org/#>

International career site for design and creativity professionals.

Art Jobs

<https://artjobs.eu/>

Employment website specialised in the cultural industry.

Arts Council England

<https://www.artsjobs.org.uk/arts-jobs-listings/>

Browser specialised in the cultural sector in England.

Authentic Jobs

<https://authenticjobs.com/>

Career site for web professionals: designers, analysts, programmers, creatives, etc.

Coroflot

<https://www.coroflot.com/design-jobs>

Portal specialised in the field of graphic and artistic design. Most of the job offers listed are based in the United States or remote, and they may be filtered by experience or professional profile.

Creative Hotlist

<https://www.creativehotlist.com/>

Job offers related to digital art and graphic design. Most of their vacancies are in the United States. Artists may also share their portfolios on this website.

Jobculture

<http://www.jobculture.fr/>

Employment website specialised in the field of culture and communication in France.

Krop

<https://www.krop.com/creative-jobs/>

This link grants access to employment opportunities in the United States related to graphic and artistic design. Candidates may also share their portfolios on this site.

Mediajobs

<https://mediajobs.com/>

This website includes a browser specialised in media and social networks, mainly in the United States.

Museum Jobs

<https://www.museumjobs.com/search.php>

Website listing job offers in museums, galleries, libraries and archives in England.

Music vacancies - MUVAC

<https://www.muvac.com/es/>

Job search engine by instrument or other music specialities in Europe.

DID YOU KNOW THAT...

These companies aim to **select a candidate** to cover for a specific role for the customer company.

Therefore, temporary recruitment agencies, head-hunters and service companies become a **key channel** to access certain offers and companies in the sector. Besides, they manage several job offers at the same time, so by applying through these companies you will have access to **offers from different clients**.

REMEMBER!

Often, recruitment is delegated to intermediary agencies. This is particularly true in the case of **performing arts and audiovisual arts**, as **events and projects** (plays, films and shows) have a limited duration.

FOCUSING

The most in-demand professional profiles in this sector are **digital composers, executive producers and technicians specialised in digitalising collections**.

02. Recruitment and intermediary companies

Adecco - Audiovisuales

<https://www.adecco.es/ofertas-trabajo/ind-audiovisuales>

General recruitment company that includes audiovisual as a search category, so candidates may filter specific job offers.

Agencia Penélope

<https://www.agenciapenelope.com/agencia-de-trabajo-temporal/>

National temporary employment agency specialised in recruiting professionals in the audiovisual subsector mainly for shootings, events and TV programmes.

Barcelona Animació

<https://www.bcnanimacio.com/>

Casting and artist recruitment agency for events in the field of performing arts.

Casting Singular

<https://www.castingsingular.com/>

Intermediary company specialised in street casting (or real people casting) and casting direction.

Elenco Agencia

<http://www.elencoagencia.com/contacto/>

Casting and recruitment agency in the field of TV and theatre.

EVE Museos e Innovación

<https://evemuseografia.com/eve-empleo/>

Consulting company in the field of museums and cultural spaces. They have a department specialised in recruitment ("*EVE empleo*"). Candidates may browse their job offers, resources and specific calls through the link provided.

La Farándula

<https://lafarandulactores.com/>

Talent agency for actors and actresses. Candidates must get in touch and then finish up the agreement in person.

Lane casting

<https://www.lane-casting.com/es/castings/>

Digital network of casting directors in Barcelona, Madrid and London. Their website displays casting calls for fictional audiovisual pieces, advertising, musicals, etc.

Randstad - Audiovisual

<https://www.randstad.es/candidatos/ofertas-empleo/e-audiovisual/>

General recruitment website that allows filtering job offers by “audiovisual” category, mainly related to TV, cinema and advertising producers.

DID YOU KNOW THAT...

Self-applying to a company before they post a job offer is a good way to **anticipate their demand for personnel** and show interest in joining their team. For your self-application to succeed, you will need to **send a cover letter alongside your CV** and follow up on your application. Immediate results are not guaranteed, but you might be selected for unpublished offers and **reduce competition to a minimum.**

REMEMBER!

Your **portfolio** is a **showcase for your work** and artistic skills in your field. Don't forget to **include it when submitting your self-application** to increase your possibilities for success. Let's go!

FOCUSING

Barcelona has a strong **network of cultural facilities**, such as Museu Nacional d'Art de Catalunya or the Gran Teatre del Liceu, as well as **initiatives and festivals in the field of art and creativity**, such as Districte 22@, Sonar+D or Llum BCN, amongst many others.

03. Self-application

<https://www.sortlist.es/s/ilustracion/barcelona-es>

Compilation of illustration agencies located in Barcelona. A custom search feature is available ("find my agency"), through which a specific list of companies is displayed according to the selected preferences.

DID YOU KNOW THAT...

Colleges and professional associations are organisations that **defend and promote the interests of a certain occupation or trade**. Most common services offered include: information, regulatory and legal advising, refresher courses and career site, where you may find suitable offers for your profile. Besides, by joining these organisations you will easily meet other professionals and **expand your contact network**.

REMEMBER!

Cultural awareness and expression refers to getting to know and valuing all existing cultural and artistic manifestations, and it is **one of the most in-demand skills**. So: educate yourself and expand your creative knowledge!

FOCUSING

Artificial intelligence allows **automating processes** in content creation (e.g. music and sound production), **optimising the analysis of information** (e.g. implementing recommendation systems) and **improving the content and post-production** (e.g. restoration of images).

04. Professional associations and leading training centres

A) COLLEGES AND PROFESSIONAL ASSOCIATIONS

Acción Cultural Española - AC/E

<https://www.accioncultural.es/es/progPICE>

Public entity promoting a wide range of activities, conferences and cultural projects. Their Programa PICE stands out, which promotes the mobility and exchange of professionals and artists with foreign organisations.

Agrupació Fotogràfica de Catalunya - AFC

<https://afc.cat/>

The Catalan Association of Photography aims to promote the art of photography by organising contests (both closed and open to the public), a news blog and photography-related activities.

Asociación Española de Museólogos - AEM

<https://www.museologia.net/proyectos/>

The website of the Spanish Association of Museologists has a site dedicated to consulting and training and they periodically publish a magazine specialised in museology.

Asociación de Profesionales de la Producción Audiovisual - APPA

<https://www.asociacionappa.es/ayudas-subvenciones/>

University school offering master's degrees, postgraduate degrees, PhDs and specialisation courses in this sector, particularly related to the management of businesses, projects and cultural shows.

DID YOU KNOW THAT...

Networking, either online or in person, allows you to access to certain **offers that are not published in usual sites**, as well as widen your **contact network**. To network successfully, focus on the relationship as **an exchange** through which useful information is shared and received. So: make yourself visible, interact and share! In exchange, you will receive opportunities, proposals and recommendations that will boost your job search.

REMEMBER!

There is an increasing presence of **cultural and creative spaces, co-creation networks, debate forums and artistic events**, which are a great way to **become in touch with your art field**. Join the creative community!

FOCUSING

Cultural digitisation offers new formulas to present an attractive offer. A good example of this are museums that use virtual reality to create immersive experiences, or **3D scanning** to recreate cultural heritage

05. Networking

A) ORGANIZATIONS

Acadèmia del Cinema Català

<https://www.academiadelcinema.cat/ca/actualitat-ca/actualitat-activitats-academia>

Organisation promoting activities for professionals in the field of Catalan film making. The link provides access to news, a list of all Gaudí Awards to date and a media library with videos and photos.

Ateneu Barcelonès

<https://www.ateneubcn.org/>

Cultural organisation offering a calendar open to the public with different activities such as conferences, discussions, round tables, concerts, recitals, workshops, cinema screenings and courses.

CaixaForum

<https://caixaforum.org/es/barcelona/home>

Centre belonging to La Caixa Foundation hosting exhibitions, activities and cultural events.

Disseny Hub

<https://ajuntament.barcelona.cat/dissenyhub/es/actividades>

Organisation promoting activities, conferences, festivals and other events in the field of culture and design. Located in the Plaça de les Glòries Catalanes, their facilities are home to the Barcelona Centre of Design, the organisation Promotion of Arts and Design (Foment de les Arts i el Disseny, FAD) and the library El Clot - Josep Benet.

Dribbble

<https://dribbble.com/designers>

Interactive platform that allows users to explore the designs of other professionals and to create a profile to be made known to the community or potential recruiters.

Fàbriques de creació de Barcelona

<https://ajuntament.barcelona.cat/fabriquescreacio/ca/fabriques/fabrica-a-fabrica>

Website serving as a platform to convey the artistic activity taking place in Barcelona. Their website displays information about creation and experimentation centres (factories), calls and grants, and projects developed thanks to this platform.
