

Email for future contact

Good morning Raquel,

As you can see on my LinkedIn I am Ramon Prats, promoter of the boiler and heater sector. We do not know each other personally but we have a contact in common, Margarida Servent, a former colleague at SINUS, a company in the sector.

Miquel told me that you are the Director of Human Resources at SHAKTY & Co and that you have recently increased the hiring of sales people and developers for the launch of a new boiler model.

In my career, I have worked as a promoter for the sale of these products to major companies in the sector. This has allowed me to gain great knowledge of the technical characteristics of the different models in the market.

For this reason, I would be interested in following the projects developed by SHAKTY & Co, to keep up to date with the latest news and innovations in the sector. I would also be grateful if you could inform me of the new recruitment processes so that I can apply, if necessary. For any information, you can consult my LinkedIn profile.

Many thanks in advance,

Ramon Prats
